Pureness Ritual

RADIANCE C+ RITUAL

Antioxidant treatment that combines pure vitamin C with patented HLG, creating a treatment that restores vitality to sun-damaged skin, while acting to help minimise the signs of premature ageing.

The synergy and power of its active ingredients make this treatment a therapy that boosts the vitality and light of the face.

90€ (50 minutes)

SRNS RITUAL

Sublime multi-sensorial treatment that offers an effective, global and tailor-made response for mature skin, thanks to its powerful and innovative active ingredients, which help to recover, restore and fill in the contours of the face.

It is the first anti-ageing programme that manages to identify the sources of cellular ageing in order to slow down the process and thus reduce wrinkles and expression lines, increasing skin firmness and elasticity.

120€ (90 minutes)

HYDRALURONIC RITUAL

Hydration and plumping facial therapy that combines hyaluronic acid in three molecular weights, which help improve skin hydration and elasticity by preventing water loss.

In addition, the ritual incorporates a new work therapy combining thermal contrasts that add even more benefits to this therapy.

80€ (50 minutes)

PURENESS RITUAL

Universal yet personalised cleansing treatment for all skin types. Deep hygiene that cleanses, purifies, renews and soothes the skin.
